The screenshot shows the Cereal Readers website interface. At the top, there is a navigation bar with links for Home, About, Viewpoints, Events, FAQs, Competitions, and Contact. A search bar is located on the right side of the navigation bar. The main content area is divided into three columns. The left column contains a 'Browse' section with links for Series Titles - A to Z, Authors - A to Z, and a 'By Reading Level' section listing ages from 5+ to 14+. Below this is a 'By Genre Tag' section with various categories like action, adventure, animals, boys, cartoon, classics, crime, culture, dancing, dragon, dystopian, fairies, fairy tales, family, fantasy, first chapter books, friendship, girls, graphic novel, historical, and horses. The middle column features the book 'The Red Pyramid' by Rick Riordan, including a book cover image, the author's name, a synopsis, and publication details (Pages: 542, Book level: 10+, Book no: 1, Published: 2010). The right column contains 'Series Information' with a 'Print' button, the series name 'Kane Chronicles', tags like 'fantasy', 'myth & legend', 'action', and 'adventure', series reading level '10+', number of books in series '4', and a list of books in the series order: 'The Red Pyramid' (2010), 'The Throne of Fire' (2011), and 'The Serpent's Shadow' (2012), plus a 'The Kane Chronicles Survival Guide' (2012). A 'Recognition' section at the bottom of the middle column lists awards like School Library Journal Best Book of the Year (2010) and Goodreads Choice Award Nominee for Favorite Book & Young Adult Fantasy (2010).

Seriously series-centric reading for children and young adults!
